

# STANDARD TOUCHPAD TIMING

Our touchpad timing system automates swimming competition timing. Touchpads capture each swimmer's finish time and relay it to the timing system. Systems are available for up to 12 lanes—and the best part is, every component is modular. You can start small and add pieces as you go, with each part integrating seamlessly like building blocks to create a complete timing solution.

- 1 Pushbuttons P/N PB-6
- 2 On-deck cable harness P/N CH-xx or In-deck titanium deckplates
- 3 AquaGrip touchpads - part numbers vary depending on lane width
- 4 Championship Elite Start System P/N SSE
- 5 Infinity Pro Start System P/N INF-PRO
- 6 Gen7 Swim Timer P/N Gen7-TMR-L or GEN7-TMR
- 7 Scoreboard Options: LED Video Scoreboard, Otter swimming scoreboard P/Ns: MS-0149 (6-lane), MS-0150 (8-lane), MS-0151 (10-lane), or LED Numeric swimming scoreboard P/N: LED-R
