

WATER POLO RUN-STOP-RESET

Run-Stop-Reset accessory allows a second or third operator to assist in controlling game or shot times.

The wireless tabletop controller (WTTC) supports the external Run-Stop-Reset accessory to allow for additional clock operators.

Key Features:

Customizable Defaults

Configurable settings in the wireless tabletop controller (WTTC) to align with league rules, including alternate shot/play clock times

Dual Reset Buttons

Includes two reset buttons to reset both main and alternate shot/play clocks

Compliance with World Aquatics

- Reset to 20 seconds after a corner throw
- Reset after a rebound without a change of possession
- Reset after an exclusion
