

# WATER POLO

## Revolutionize Your Water Polo Matches with Advanced Scoring Technology

Take control of your water polo scoring with the wireless tabletop controller. Designed for efficiency and precision, our WTTC is the ideal choice for both local water polo matches and international water polo events.

### Key Features:

- User friendly interface
- Wireless connectivity
- Robust and durable design
- Multi-sport capabilities
- Comprehensive scoring capabilities
  - Support for player foul and point displays (requires a video scoreboard and DisplayLink Plus)
  - Automatically starts breaks as soon as periods end
  - Support for Penalty Shootouts
  - Additional exclusion/foul options including: third exclusion slot, red cards, and double (simultaneous) exclusions
