

6-digit Scoreboards

Save space and money. Signage and digits in one enclosure.

The sleek design allows you to display home and guest scores and/or current event and heat without the need for additional signage.

Module dimensions are the same as CTS standard LED single-line numeric scoreboards: 14" x 97.63" x 4" (35.6cm x 248cm x 10.2cm), so these 6-digit boards stack beautifully with both the 8- and 10-digit scoreboards. All board are available with either red or amber digits.
